Full-Stack Web Developer leveraging a background in retail and warehouse management with a passion for building dynamic web applications. A recent graduate of Case Western University with a certificate in Web Development. Able to think creatively and analytically, with an affinity for patterns. A proven leader and team collaborator recognized for building creative user interfaces.

TECHNICAL SKILLS

HTML5, CSS3, Bootstrap, Handelbars.js, Javascript, JQuery, Web API's, NodeJS, Express, MySQL

PROJECTS

Good Deeds | github.com/Joelynn94/good-deeds **|** good-deeds-1.herokuapp.com/
- A donation web application that creates ease of access to charitable organizations.
- Build the front-end and connected the backend routes together.
- MYSQL, Node.Js, Express, Handlebars.JS, Javascript, Bootstrap and CSS Grid

Burger-ORM | github.com/Joelynn94/burger-orm **|** sparky-burgers.herokuapp.com/
- A web application that lets you create new burgers that are then added to the database.
- The front-end was built with HTML and CSS. Used Express for routing and MySQL to create and query a database.
- MySQL, Node, Express, CSS, HTML, Handlebars, and ORM technique, using an MVC design pattern

Note Taker | github.com/Joelynn94/note-taker-express | sparky-note-app.herokuapp.com/
- A web application that can be used to write, save, and delete notes.
- Used Express backend to save and retrieve note data from a JSON file.
- Express, JavaScript and Bootstrap

EXPERIENCE

Buyers Products Company; Mentor, OH   02/2020 – Present
National Accounts Coordinator
Analyzing national account sales to support goals and planning of the business. Create sales forecasts reports and Point of Sale reports for accounts. Pricing reviews and implementation. Research and approve accounting credit memos and co-op payments.
- Dispute chargebacks to reduce business costs.
- Help manage e-commerce purchase orders to ensure accuracy.

Buyers Products Company; Mentor, OH   10/2017 – 01/2020
Shipping Dock Supervisor (02/2019 – 01/2020) | **Shift Supervisor** (10/2017 – 01/2019)
Oversaw 12 associates administering support, training, and discipline. Prioritized and assigned duties to achieve efficient use of labor to meet productivity goals. Conduct performance evaluations and offer recommendations.
- Instituted shipping processes reducing shipping errors 60%.
- Improved productivity by training associates in needed areas and prioritizing daily work assignments for associates.

Buyers Products Company; Mentor, OH   07/2015 – 09/2017
Logistics Coordinator
Dispatched three company drivers to ensure on-time pickup and delivery of product. Routed outbound orders. Worked with local companies and freight forwarders to schedule product pick up times. Negotiated costs for customer orders.
- Promoted structure by devising a schedule with our internal drivers for the pickup and delivery of products.

EDUCATION

Full-Stack Web Development Certificate - Case Western University; Cleveland, OH
